March/April Curriculum Themes:

Our themes include Spring Time, St. Patrick's Day, planting, and revisiting colors, while learning about rainbows and Easter. In April, classes will be studying life cycles. Our Milkweed plants on the West Yard will attract butterflies that will lay their eggs. Caterpillars will hatch and we will find them on the leaves of the plants.

Easter Celebrations:

The students will be participating in the beloved tradition of Easter Egg Hunting outside with their classmates. Despite the chilly weather, it is a joyous time of year, with flowers beginning to bloom and the feeling of Spring in the air.

Covid-19 Update:

Things continue to go well at Honey Tree! The virus has not spread among students in the classrooms. With restrictions lifting and many people becoming eligible to receive the vaccine, there is a sense of relief. We feel blessed to be able to remain open with children playing together and staying safe.

Remember your Registration Paperwork:

All enrollment folders are due ASAP. If your child has received an immunization recently, please bring any updated records to the office so we can make a copy for our files.

Parent-Teacher Conferences:

- Parent-Teacher conferences are taking place early March thru April. The teachers will be giving out progress reports for the 4-5 year-old pre-K students. This is an opportunity to review your child's progress with their teacher, and to ask any questions. Please check your classroom Parent Board for the day and time.
- Progress reports and optional conferences for 3-4 year old preschool students will be available in May. Let your child's teacher know if you would like to schedule a meeting.
- Kindergarten/TK conferences are scheduled for mid-April. Progress reports will be completed for each student. Look for a sign-up sheet outside the classroom.

Spring Fundraiser:

Original Artwork orders are due this week! Please turn in your orders no later than Thursday, March 25th. We appreciate your participation! Original Works is a company that takes your child's artwork and preserves it in a one-of-a-kind keepsake. Families are able to order key chains, bags, magnets, oven mitts... just to name a few. It's a great gift for Mother's Day or Father's Day, or just because it's especially created by your child.

Spring Break: Honey Tree will be closed for Spring Recess, beginning Good Friday, April 2nd, with school resuming on Monday, April 12.

Brenda Russett Photography: Brenda Russett will be coming to Honey Tree the week of April 19 to take Spring pictures of our students! Her photographs are amazing and truly capture the individual personalities of the students.

Chapel Time and Classroom Visits with Pastor Erik:

We are planning for Pastor Erik to visit the classes on the play yards sometime in April. He will sing a song, possibly with guitar in hand, tell a short story, and end with a prayer. This time with Pastor Erik is uplifting and brings joy to the

students and teachers. We will be sure to follow physical distancing and mask-wearing guidelines.

Church Happenings:

Outdoor Worship Services are resuming at Holy Trinity Lutheran Church. If you are interested in attending an outdoor service, or watching a video service, please email the Church Office: churchoffice@htlcto.org.

"Spring adds new life and new beauty to all that is."

"The day the Lord created hope was probably the same day He created Spring."
