

Honey Buzz Newsletter February/March 2023

Honey Tree is an outreach ministry of Holy Trinity Lutheran Church

February/March Curriculum Themes: Teachers have been focused on the season of winter, sharing stories and working on activities related to rain, snow, polar and arctic animals and their habitats. They have been doing fun science experiments related to ice and water, and students have been enjoying sensory activities with fake snow, shaving cream, and play doh. Themes have shifted to community helpers, transportation, and, of course, Valentine's Day! The students are very excited to make and share Valentine's with friends.

Chapel Times and Pastor Visits: Thank you to parents who joined us for Chapel Time with Pastor Emily on January 25th and 26th. Check the parent board outside your classrooms for future Chapel Times in the sanctuary with the Pastors. All family members are welcome to join us! Pastor Erik also visited students in their classrooms on February 6 and 7. The students really enjoy singing songs and listening to stories with Pastor Erik and Pastor Emily.

New Outdoor Area Between Our Play yards: We are excited to use the beautiful new space, which will be shared by the school and the church. Once the fence is completed, all plants have been planted, and benches are placed, it will be ready for our students to play! Having an extra yard space will be beneficial for students to have more options for outdoor time.

Fundraisers: We appreciate all those who contributed to our See's Candy fundraiser! It was very successful. Teachers are beginning to prepare for our Original Artwork fundraiser. Artwork will be sent home in time to order for Mother's Day.

Creativity Night: Save the Date! Creativity Night is scheduled for March 8. Parents will have the opportunity to come to the school with their child in the afternoon/evening and participate in fun activities in the classroom. Approximate times are between 4:00PM to 7:00PM. Each class will come

for 45 minutes. More information to follow regarding specific class times. School will be closed on Thursday, March 9 for clean up and in-service for teachers.

Upcoming Dates:

- February 8-14: Valentine's Day Parties
- February 17-20: President's Day Weekend, School Closed
- March 8: Creativity Night
- March 9: In Service, School Closed
