Honey Tree Early Childhood Center
2025

JAN/FEB

Happy New Year! We hope you had a wonderful holiday. We were happy to see students and families back on campus Monday and Tuesday, before we had to close the campus for two days. We are thinking about and praying for all families and loved ones who have lost homes and were affected in some way by the fires. Wishing God's comfort and protection over them as they recover and work on rebuilding their lives. January and February curriculum themes are centered around the season of winter and new beginnings, learning about polar animals and their habitats.

THANK YOU!

Thank you to all of our Honey Tree First Responders! We have been praying for your safety and are grateful for the hard work you do to protect families and save lives on the front lines. Thank you also to our Honey Tree families for the many wonderful gifts to Honey Tree Staff, and for the weekly healthy snack donations, and cookies for our Christmas programs. You are so kind and generous! We also appreciate your support of our fundraisers, but please keep in mind that participation is voluntary.

REGISTRATION

Registration for the 2025/2026 school year will begin in February. Current Honey Tree Families receive priority. Please make a note of registration dates and times. We will send out the new schedule of classes and tuition fees for next year soon. Please spread the word and let friends and family know that they can contact the office to schedule a tour, if they are interested in enrolling. New students in the community can begin signing up after February 25th at 9:00am.

IMPORTANT INFO

Illness: Please do not bring your child to school with symptoms.

See's Candy Fundraiser will begin on January 13. Orders will be received before Valentine's Day.

Drop Boxes: Tuition payments and paperwork can be put in one of our two boxes, near the office and P/2s room.

Late arrivals and pick ups need to come through the office. Please try to be on time when picking up your child at the end of the day. Thank you!
