November/December Themes November curriculum themes focus on woodland animals, families and Thanksgiving. Our Christian theme is centered around being thankful, and expressing gratitude for our many blessings. In December, we will enjoy Christmas traditions and celebrate the birth of Baby Jesus. The students will be making stars, trees, reindeer, and special gifts for families. It is a joyful time with children and teachers singing holiday songs, and ringing jingle bells.

Angel Tree Adopt-A-Family

We are happy to be once again participating in the "Adopt-A-Family" program for the Holidays. It is a wonderful program, sponsored by Harbor House, a local organization that provides services to families in need. Donations will be in the form of \$25 Gift Cards. If you would like to participate, please take an angel from outside your child's classroom, and bring it back with a Gift Card, no later than **Friday, December 3rd**. This is completely voluntary, and we appreciate any donations received.

Christmas Singing Programs

Our Christmas singing programs will take place on December 16 and 17. As it gets closer, teachers will let families know the time and location of each class performance. Individual classes will be singing for families outside on the play yards or on the church patio.
