Honey Tree is a non-profit preschool, sponsored by and an outreach of Holy Trinity Lutheran Church

November/December Themes

November curriculum themes focus on woodland animals, families and Thanksgiving. Our Christian theme is centered around being thankful, and expressing gratitude for our many blessings. In December, we will enjoy Christmas traditions and celebrate the birth of Baby Jesus. The students will be making stars, trees, reindeer, and special gifts for families. It is a joyful time with children and teachers singing holiday songs, and ringing jingle bells.

Angel Tree Gift Donations

We are happy to once again be participating in the Angel Tree Adopt-A-Family program for the Holidays. It is a wonderful program, sponsored by Harbor House, a local organization that provides services to families in need. If you would like to participate, please take an angel from outside your child's classroom, and bring the gift no later than **Friday, December 2nd**. This is completely voluntary, and we appreciate any donations received.

Christmas Singing Programs

Our Christmas programs will take place on December 15 and 16. Classes for Four-Year-Old and Five-Year-Old students will perform inside the Church Sanctuary. Two-Year-Old and Three-Year-Old students will sing songs outside or in the classroom. Teachers will let families know the time and location of each class performance.

Outdoor Expansion Project

Exciting news! Honey Tree and Holy Trinity are creating a shared outdoor space, in between our two play yards. You may have noticed work being done in the empty lot near the parking lot, on the South side of campus. The school and the church will both have access to the enclosed yard, which is due to be completed by the beginning of the new year.

November/December Calendar
